ATHENA

ATHENA UNDERWEAR

from its very nature appeals with particular force to the womanly woman

When she picks it up, she realizes that she has found the underwear she wants. As she wears it, her opinion is strengthened.

Such daintiness, such perfect fit, such comfort without bulk, have never been combined in women's underwear previous to the manufacture of the ATHENA line.

One great point is that this beautiful, desirable underwear costs no more than the ordinary, ill-fitting underwear.

Daintiness, elegance, refinement without extra cost. Without doubt ATHENA is the most desirable underwear we have ever sold for women, misses and children. Many styles and fabrics.
